

# Checklist Rings

Gear designed for and used by military aviators world-wide.

Fly Boys has the **BEST** Checklist Rings available anywhere; here's why:

- Stainless steel locking mechanism never corrodes and is secure
- Smooth coatings (available in either monofilament or braided stainless steel) do not snag pages or papers
- Easy to open when you need to open but they remain closed when you want them closed

Designed for pilots and crew, these versatile rings can also be used for zipper pulls, key rings, small handles and many other uses. Made in USA.

Opaque color shown in retail packaging. **Packed 10pcs per retail pack.**

Stainless steel ball/knob closure stays closed when you need it to.

Available in several styles and colors. Please visit our website ([www.flyboys.com](http://www.flyboys.com)) for current pricing and colors available:
